

Member Service

Code: MEMBER_SERVICE

Version:

Article 1 — Membership

Members must have legal capacity to contract. Minors using paid services require guardian consent where required by law.

Article 2 — Registration Data

Keep name, email, phone, payment data, and other required information accurate and up to date.

Article 3 — Referral Codes

A member may bind one referrer via referral code during registration or within the platform window. Referral rewards require a single qualifying payment with net credited amount of at least NT\$36,000. Multiple payments cannot be combined. Reported but unverified transfers do not qualify.

Article 4 — Notices

You agree to receive account, security, order, contract, and service notices via in-app messages, email, or other provided channels.

Article 5 — Account Termination

You may request account closure; outstanding payments, refunds, payouts, disputes, tax, and legally retained data remain subject to applicable rules.

Effective date: 2026-07-24
