

Payment Notice

Code: PAYMENT_NOTICE

Version:

Article 1 — Payment Methods

Checkout displays available methods including manual bank transfer or enabled third-party processors.

Article 2 — Manual Transfer

Reporting a transfer does not complete payment until administrators verify credited amounts.

Article 3 — Amount Recognition

Referral rewards and wallet credits use verified credited amounts, not reported amounts.

Article 4 — Payment Security

The platform will never ask for online banking passwords, card PINs, or OTP codes.
